

Thales Academy™

DEVELOPING CLASSICAL THINKERS

DATE

To the Parents of **STUDENT NAME:**

After completing grade checks for the week, your child has been deemed academically ineligible. The reason for this is failure to meet the standard of not having any course grade below a 60% or of not having two course grades below a 70%. Your child is still required to attend practice and games, but will not be allowed to participate.

Discipline and time management are important skills for students to develop. By requiring student-athletes to uphold academic standards, we are helping them form healthy, lifelong habits.

Please note that there is no appeal process for academic ineligibility.

Respectfully,

NAME

Athletic Director
